NOT MY TAXONOMY

WELCOME PACK

WHEN?

Plan your travels to arrive at the camp on the 2nd or 3rd of July, ideally by Sunday the 3rd afternoon at the latest.

WHERE?

Address of the camp:

1 chemin de la Scierie, 67110 GUNDERSHOFFEN

Parking site for buses:

Gare de Gundershoffen, rue de la gare, 67110 GUNDERSHOFFEN

How to get there:

If you are not coming with a bus or a car, then you can drive with a regional train from Strasbourg to Gundershoffen. The camp is situated around 5 min by foot from the train station.

WHO?

You, people from 10 European countries, and hopefully more - keep on **spreading the word!**

WHAT HAPPENS WHEN I ARRIVE?

Sunday late afternoon will be our first common plenary to welcome everyone on the camp, explain how the following days are going to unfold and what people can choose to do. The evening (and Monday early morning) will then be free for groups to discuss what they would like to do, based on the information they will have received.

LOGISTICS ON SITE

SLEEPING

Bring a tent, a sleeping bag and a sleeping mat.
If you've registered on the form for specific sleeping needs, we're getting back to you (provided that you also gave your email address)

FOOD

Food will be vegan and ensured for 3 meals a day.
Donations for the kitchen are not mandatory but encouraged, with 5 euros per day as basic rate and 8 euros as solidarity rate (this rate helps cover for people who don't find themselves in a place to donate for their food).
We will need people to volunteer to help prepare meals.
Pack your most camp-adequate aperon!

PACKING LIST

Cameras for taking pictures/ videos if you'd like to join the press team (or informal social media group) to help document and relay actions online.

Clothes. Even though we'll be early July, rain is always a risk so pack adequately for different weather conditions! Also bring **gear that can protect you from the sun** (cap, sunglasses, scarfs, tarps, etc.), and pack **sun cream** that is based on water or alcohol (not fat).

Bring a **swimsuit** or what you feel comfortable with to stay in water for a little while.

What *you* need to be comfortable over your days on the camp: **towel, toiletries, personal medicine supplies...**

Covid. Bring FFP2 or medicinal masks, hand disinfectant and two covid tests for yourself.

Utensils. Water bottle, container/plate and cutlery for food

Food. Some cereal bars or snacks for the days we'll be away from the camp (meals will still be provided but snacks are useful for long days)

PACKING LIST (2)

Passport/ID, especially for people crossing international papers, but also for potential encounters with authorities in case you want to identify yourself

Cash (in €) for camp/food donation recommended, 5 - 8€ per day, and also for travels if needs be.

Arts and crafts materials. Cardboard pieces for handmade signs, markers and, if you're really wanting to go all out, banner material, paint and brushes, or ready-made banners!

You're more than welcome to bring stickers, flyers, materials & flags from your group! The camp will be a great opportunity to learn about struggles in other European countries, with people coming from 10 different European countries.

BEFORE YOU GET ON YOUR TRIP...

Try to not meet too many people before you start getting on your way. Test yourself in the two days before you travel (and of course don't come if you have a positive test). Check your national covid restrictions for when you will travel back home.

ANYTHING ELSE I CAN HELP YOU WITH?

While all the infrastructure, materials and planning will be ready for you when you arrive, the life on the camp will be self-organized. From awareness to cooking to medics, all skills will be very welcome to make these days of camp and action a success!

Look for the info point when you arrive at the camp, this is where you will get all the latest practical info that you need.

See you so very soon!
